

PRESS RELEASE / NOTICE OF VACANCY

Trinity LAFCo Seeks Applicants for Public Member Position

The Trinity Local Agency Formation Commission (LAFCo) is currently accepting applications from members of the public interested in serving on the Commission. The Commission is seeking to fill one (1) "regular" public member at-large position. This position is selected and appointed by the other regular members of the Commission.

LAFCo is an independent government agency established by the California State Legislature in 1963 to oversee changes in local governmental structures and boundaries. The agency facilitates orderly growth and development, promotes the efficient delivery of services, and encourages the preservation of open space and agricultural lands. Key responsibilities include reviewing and approving boundary change proposals such as annexations, consolidations, and the formation of special districts in alignment with adopted spheres of influence.

The Commission consists of seven regular voting members, including three county supervisors, two special district board members, and two public members. Each category also has an alternate member who votes in the absence of a regular member. Commissioners serve four-year terms. LAFCo also contracts for Executive Officer staffing services to manage the Commission's daily operations.

Public member applicants must be residents of Trinity County. Individuals who currently hold positions as officers or employees of a local public agency or serve on a public board, commission, or committee with land use or service provision authority are ineligible for the position.

LAFCo meetings are regularly held on the third Tuesday of even numbered months at 4:00 p.m. in the Library meeting room in Weaverville unless otherwise noted.

Interested candidates can obtain an application by visiting www.trinitylafco.org. The public member position will remain open until it is filled. To be considered at the upcoming LAFCo meeting on April 15, 2025, applicants must submit a completed application by Thursday, April 10, 2025, at 4:00 p.m.
